

CCNP Security - SISAS Certification and Exam Preparation

About CCNP Security Certification

» Current Version of CCP Security is 1.0

» To get CCNP Security certified

- Valid CCNA Security or CCIE Certification
- Pass all 4 exams of the blueprint at Pearson VUE sites

» CCNP Security Exams

- 300-208 SISAS (Implementing Cisco Secure Access Solutions)
- 300-206 SENSS (Implementing Cisco Edge Network Security Solutions)
- 300-209 SIMOS (Implementing Cisco Secure Mobility Solutions)
- 300-207 SITCS (Implementing Cisco Threat Control Solutions)

CCNP Security Certification Goals

- » Get industry level recognition and knowledge
 - Knowledge is power
- » Wrong but common approach
 - Memorize commands and theory
 - Get certified by any means, read one book, go take exam
 - Will take you nowhere on the long term
- » Correct but rare approach
 - Read as many resources as possible
 - Build knowledge by understanding technologies
 - Practice as much as possible to enforce knowledge
 - At CCNP level, configure, verify and troubleshooting
 - Will pay off in the end, as you'll become a true expert

About SISAS

» Current Version is 1.0

» Exam Topics – Blueprint

- Divided into 5 sections
- <https://learningnetwork.cisco.com/community/certifications/ccnpsecurity/sisas/exam-topics>
- Additional related topics may show up in the exam, fair game

Study Materials

» iNE Materials

- CCNA / CCNP Routing and Switching Videos
- CCNP Security Technologies Courses
 - One class for each of the four courses
- CCNP Security Bootcamp Course
 - Available in INE Course Library, focused mostly on examples
- CCIE Security Materials

» Additional Materials

- Books
- Cisco Documentation

Recommended Books

» General Networking

- [The TCP/IP Guide](#)
- [TCP/IP Illustrated, Volume 1: The Protocols](#)
- [Internetworking with TCP/IP Volume 1](#)
- [Network Security Fundamentals](#)

» CCNA Routing and Switching

- [CCENT Official Certification Guide](#)
- [CCNA Official Certification Guide](#)

» CCNA Security

- [CCNA Security Official Certification Guide](#)

Recommended Books

» CCNP Security SISAS

- [Cisco ISE for BYOD and Secure Unified Access](#)
- [SISAS Official Certification Guide](#)
- [AAA Identity Management Security](#)

Cisco Documentation

» Product / Software Documentation

- Technology White Papers
- Configuration Guides
- Command References

» Cisco Live Presentations

- <http://www.ciscolive365.com>
- Sort by technology and difficulty level

» Cisco Validated Designs

- <http://www.cisco.com/go/cvd>
- Sort by technology

Additional Information

» CCNP Security Study Group

- <https://learningnetwork.cisco.com/groups/ccnp-security-study-group>

» Sample Exam Questions

- <https://learningnetwork.cisco.com/community/certifications/ccnpsecurity/sisas/practice>

» Huge demand for Security experts on the market

- Especially Cyber Security Experts

» Networking and Security Salaries
